Sir:

I beg to acknowledge receipt of your letter of 29th ultimo, enclosing an application from Mr. Bert Larson, for protection of his entry covering the West half of 18-33-10 W. of 4th mer., and in reply I beg to state that inasmuch as Mr. Larson has not fulfilled the requirements in this respect by at least 30 days continuous residence on the land in order to perfect his entry, it will not be possible for me to take into consideration his request for an extension. It appears, however, that he has been prevented from fulfilling the requirements by sickness in his family, and if such is the case he should furnish me with a medical certificate from his attending physician in order that the same may be submitted to the Department for consideration. Sir:-

The Agent of Dominion Lands, at Calgary, has forwarded to the Department the statutory declaration executed by Mr. Bert Larson, who is desirous of having his homestead and preemption entries covering the West-Half of Section 18, Township 33, Range 10, West of the 4th Meridian, protected until the Spring on account of sickness in his family.

Under a recent ruling it is now possible to grant Mr. Larson's request, and the Department has, therefore, instructed the said Agent to protect these entries until the 1st of May next provided that cancellation proceedings have not been instituted.

I would ask you to be good enough to notify Mr. Larson to the above effect and warn him that it will be necessary for him to satisfy the Agent by the 1st of May that he is in residence on the land in a habitable house and that failure on his part to do so will result in the entries being liable to cancellation.

N.W.¼ of 9-33-11-W. 4th Mer,

When entering for this land in November, 1911. Mr. Price gave his name as Harry Price, and the correspondence on file was all signed Harry Price and when making application for patent he still signed in the same name, and it appears that patent is being issued in the name of Harry Price.

A Declaration has now been received from Mr. Price in connection with his pre-emption entry, wherein he claims that his correct name is Henry Price and when signing the application for patent he signed Harry Price, which is only a nick-name, and that Harry Price and Henry Price are one and the same person, but the true and correct name should be Henry Price.

I presume that patent for the homesteader should issue in the name of Henry Price.

Re: Account of Cyril Odilo Elliott
N.E. 36-10-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920, 1921 and 1922 seed grain, fodder and relief amounting to $315.17 was advanced to Cyril Odilo Elliott on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 315.17	$ 709.54	$ 1,024.71

Patent was issued in the name of Cyril Odilo Elliott for the N.E. 36-10-9-W4 on the 3rd of August 1923, subject to the liens.

In 1929 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the R.M. of Bow Island No. 13.

The land is described as sand and clay and is unsuitable for cultivation.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of W.N. Babe of Whitla, Alberta. It is not assessed as of any value or subject to taxation. There is also an accumulation of $500.00 arrears of taxes outstanding against the quarter. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:-

Re Loan No.A.2898 - William O'Hara.
S.W.¼-2-2-13-W4th,Dept.file 2169971.

Referring to your letter of the 6th ult., why we inquire why the moneys collected have all been applied on relief and fodder liens, instead of crediting the money on the three different classes of liens pro rata?

It is the desire of this office to see that the remainder of liens on land in which we are interested are paid as soon as possible. We will be pleased to assist your local collector in any way we can, if you will be good enough to state his name and address, to facilitate and insure these collections.

In this case we are informed that the Lienor occupies by purchase or maybe pre-emption, the S.W.¼-3-2-13-W 4th, and resides on the S.E.¼ of Section 3.

We beg to advise that should we be ultimately obliged to foreclose this mortgage, and the debt to the Government has not been recovered, we will expect any balance outstanding, for seed and fodder, to be equitably adjusted according to the value of the seed used on the respective quarters.

Yours truly,

Sirs,

re William O'Hara,
S.E. 3-2-11-4th.

I beg to acknowledge the receipt of your communication of the 6th ultimo in which you refer to my letter to you of the 6th June last, furnishing a statement of the Seed Grain, Fodder and Relief indebtedness incurred by William O'Hara on the security of the land above described, and request to be advised why the monies collected have all been applied on Relief and Fodder liens instead of crediting same on the three different classes of liens pro rata.

In reply I beg to advise you that I am at a loss to understand your question in connection with this case as I have no record of showing any payments against this account on the statement in question.

I may say, however, that it is the practice of the Department when receiving payments where no specific instructions are given regarding the application of same, to apply these payments as best suits the interests of the settler and the Department, and the Department reserves this right in all such cases.

With regards your statement that you are informed that the lienor occupies by purchase or perhaps by pre-emption, the S.E. 3-2-11-4th I beg to state that my records do not show that Mr. O'Hara has or had any interest in this last mentioned quarter section.

With reference to the question of collections I beg to state that all our collectors are directed from the office of Mr. W. J. Cuttle, Superintendent of Western Land Agencies, Winnipeg, from whom you may obtain the address of the particular collector covering the district in which this land is situated.

Reverting to your favor of the 11th inst. would say we have referred the fourth paragraph to our Inspector who thinks he may have been in error in mentioning the S.W. ¼ section 3, township 2, range 13, west 4th, as this man's pre-emption. O'Hara lives on the Southwest quarter 3 adjoining, and we are inclined to think this must be his pre-emption. At any rate he is interested in the Southeast quarter 3 in addition to our security, and we contend the lien should be suitably distributed in proportion to the area under cultivation in each.

The land above described is held by William O'Hara the S.W.¼ 2 being his patented homestead and the S.E. ¼ 3 his unpatented pre-emption. In the spring of 1915 he received advances of Seed Grain, Fodder and Relief from the Department aggregating $254.60 giving as security for same liens on the land above described.

The Credit Foncier F.C. Edmonton, Alta. have apparently obtained title to the S.W. 2-2-13 W4M and have requested the Department to apportion the indebtedness between the two quarter sections.

Will you kindly have the usual investigation made and advise me what you consider would be an equitable apportionment in this case. Your early attention to this matter will be appreciated as the Credit Foncier F.C. is pressing for a decision.

Wm. O'Hara

I beg to report having visited the above mentioned land and find that in this case, the entrant had all his crop in 1915 on the homestead (80 acres) and in fact has never had anything on the pre-emption as it is very broken and there is not more than 60 acres which could possibly be cultivated on it and in fact is only good in connection with the Homestead for pasture as the river runs through it. The land on both homestead and pre-emption is very light and not of any great value.

In referring to the crop of 1915 Mr. O'Hara paid the Loan Company their interest on the mortgage and $50 on account of principal and has always paid them a portion of his revenue but has had very bad crops since 1916 and unable to meet current expenses. In the matter of apportionment the homestead should be held for at least two thirds of the indebtedness.

With reference to yours of July 5th, Files 2169971 - 1681063 asking me to have a valuation made of the above quarter-sections, with a view to an apportionment of seed grain indebtedness, I beg to say that I instructed Mr. Bronsdon of my office to visit the district and submit a report. He has now reported and you will find attached a copy of same.

From the report you will notice that the grain secured from the Department was all sown on the homestead, 80 acres, and that the pre-emption entry is not under cultivation. I, therefore, feel that the indebtedness in this case should remain a charge against the patented homestead.

You will also notice that the pre-emption is not very valuable as there are not more than 60 acres which could possibly be cultivated on it, and in fact is only good in connection with the homestead for pasture.

Dear Sir:

RE:-Our loan A. 2898 - William O'Hara, MASINASIN, Alta.
SW¼-2-2-13-W.4th. Your file 216,971.

With reference to a personal letter addressed to you on the general subject of seed grain indebtedness, I wish to illustrate this case.

It is a mortgage taken over from the Canadian Mortgage Association. While the principal is only $500.25, there are $330. owing for interest and taxes, etc. The Dominion seed liens unpaid amount to $[illegible], exclusive of interest, besides which he owes the Province of Alberta $369. plus interest. His cattle were acquired under the Cow Bill, so he really doesn't own them. The security is so poor that it is a question whether it would not be better to save the money that we might pay for further taxes that are in arrears and the Dominion liens and make a loss of the capital, interest and other charges, as there is a probability that we would be better off retaining that money and saving the costs of expropriation, which seems inevitable, amounting perhaps to $200., and then have to spend more money in an endeavour to develop the place and make it productive in the hope ultimately, after some considerable time, of finding a buyer, if there are any settlers in that part of the country by that time.

In this particular case, what we ask simply is that the relief liens be cancelled from your statement and that the seed and fodder liens be definitely ascertained and the amount that was furnished and used on the homestead be charged to the homestead and that likewise the seed for the pre-emption be charged to that and the fodder distributed in the proportion that the cultivated land bears to each.

We have a number of other cases in the same category which we would like to have fairly adjusted. Will you be good enough to refer to the files in this case and tell us what you think about it.

In this connection I would refer you to my memorandum of the 14th August.

In event of foreclosure, the pre-emption will be burdened with the 1915 relief, the relief lien for $157.65 dated the 4th December, 1916, and in all probability the further seed relief lien for $234.00 for the full amount of the seed grain advanced on the homestead. I am of the opinion that the full amount of the seed grain and fodder indebtedness must remain a charge against same in event of foreclosure.

Respectfully submitted,

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior.

As requested in Mr. Gibson's memorandum of the 23rd instant, I obtained an abstract of title showing the registrations against the S.W.2-2-13 W.4th. In addition to the Canadian Mortgage Association's mortgage, which was transferred to the Credit Foncier in March, 1920, there are the Dominion Seed Grain, fodder and relief registrations, $45.00, $104.00 and $115.00, respectively. Seed Grain liens in favour of the Minister of Agriculture, Edmonton, totalling $735.0, a feed and assistance lien for $234.00, also in favour of the Minister of Agriculture, and a caveat lodged by the Dept. of Municipal Affairs under the Tax Recovery Act. The fodder and relief lien for $157.65 given specifically against the pre-emption, S.E.3-2-13 W.4th, is not registered against the S.W.2. The land has evidently not yet been foreclosed.

Mr. O'Hara was advised on the 14th August last that all the seed grain was used on the homestead. The pre-emption, according to Mr. Brandson's report of the 21st July last, has never been cultivated, and is only useful in connection with the homestead for pasture as the river runs through it but it is very brushy. Mr. Battle recommended, on the strength of Mr. Brandson's report that the title be held against the homestead.

- In this -

Ottawa, Ontario,
24th April, 1923.

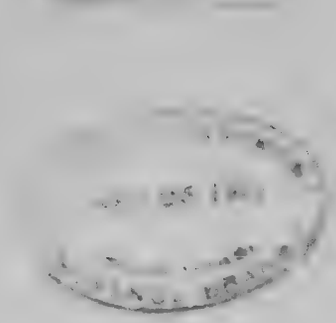

Dear Mr. Bowman,

Your letter of the 24th ultimo, with regard to the seed grain, fodder and relief liens given by Mr. William [illegible] on the security of the South East quarter of Section 2, Township 2, Range 13, West of the 4th Meridian, has been given careful consideration and in connection with your remark that the indebtedness be apportioned to the homestead and pre-emption in proportion to the amount [illegible] each quarter section I may say one of our Commissioners recently visited this land last summer. In the application for relief [illegible] verified our information that [illegible] the homestead, which [illegible] will have to hold for the total indebtedness.

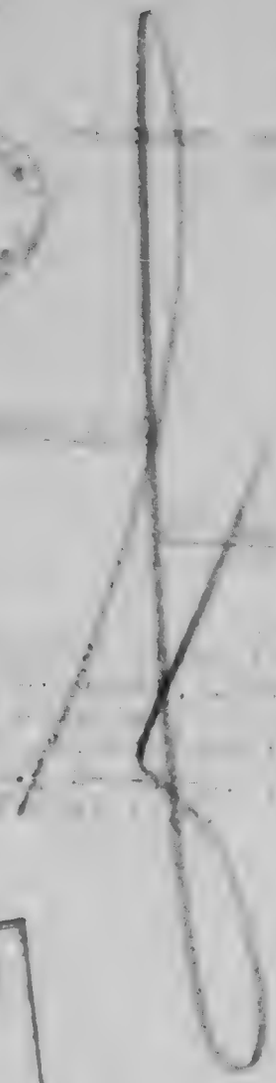

It is presumed that [illegible] will take the necessary action to remove the relief liens without any authority from this Department [illegible] been taken towards foreclosure.

Dear Sir,

I beg to enclose herewith a statement showing indebtedness incurred by Wm. O'Hara, on the security of his patented homestead, the SW¼-2-2-13-W.4th. previously mortgaged, and also his pre-emption, the S½-3-2-13-W.4th.

The items covering the advances made under the 50% arrangement between this Department and the Province of Alberta should be verified by the Province.

You will observe from the statement that Mr. George H. Gowan, of the Credit Foncier, F.C., has requested an adjustment, his Company having foreclosed on the SW¼-2.

Mr. O'Hara is apparently still in residence on his pre-emption, though he is daily in arrears in connection with his pre-emption payments, the amount due in connection therewith as on the 1st of November last, being $816.47. His address is Misanasin, Alberta.

An apportionment would seem desirable, and I would be pleased if you would have the matter dealt with by your Board and let me have their report.

Yours sincerely,

E. J. Fream, Esq.,

Re: Account of Wm. O'Hara
S.W. 2-2-13-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $254.60 were advanced to Wm. O'Hara on the security of the S.½ 2-2-13-W4. A payment of $152.00 was received in 1945 and applied to the interest. Order in Council P.C. #61/326 dated the 1st of February 1946 authorised that the S.E. 3-2-13-W4 be released as security for the liens on the payment of $152.00 and the balance of the indebtedness to remain as a charge against the S.W. 2-2-13-W4. The present standing of this account is:

Principal	Interest	Total
$ 254.60	$ 315.56	$ 570.16

Patent was issued in the name of Wm. O'Hara for the S.W. 2-2-13-W4 on the 2nd of October 1911 and later became subject to the 1915 liens.

In 1927 the land became subject to forfeiture proceedings for non-payment of arrears of taxes and title reverted to the Crown in the right of the Province.

The land is presently under the jurisdiction of the Department of Lands and Forests, Province of Alberta. It is still vacant and no longer being operated. It is no longer assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: [illegible] 26-11-10-W.4th.
Estate of Byron J. McDonnell
Joint Relief Advances

The late Byron J. McDonnell obtained the following Joint Relief Advances, giving as security liens on the title to the above described parcel.

October 22nd 1919	$60.90
April 27th.1921	50.00
March 30th 1922	74.00
	$184.90
Interest to December 31st.1954	82[illegible].60
	[illegible]

The [illegible] and approved this offer upon a [illegible] of [illegible] and clearing the title. There has been tendered the sum of One hundred and eighty-four dollars and ninety cents ($184.90) in this connection.

Mrs. McDonnell is 65 years of age and receives no assistance from the family. Her income will depend entirely on the farm which comprises 320 acres of cultivated land. She is obliged to operate by renting the land out and receives a two-thirds share of the crop.

This parcel of land is located in a township where awards under the Prairie Farm Assistance Act has been made in eleven years of the past thirteen. The assessed value of the land is Seven hundred and seventy-five dollars ($775.00).

In view of the above mentioned circumstances and as the widow will be dependent on the income from this land for her support at least until she reaches the age of 70 years when she may receive the Old Age Security Pension, it is my opinion that the settlement offered should be accepted.

I would therefore recommend that upon application of the above mentioned sum of One hundred and eighty-four dollars and ninety cents ($184.90) the account be so adjusted that it will stand settled in full and the liens discharged.

Provincial Seed Grain Advances of Fifty-three dollars ($53.00) have already been cancelled together with accrued interest.

Yours truly,

Chief Collector

This is to certify that, in my opinion, Mr. Walker's memory is totally incapacitated from doing any kind of work, on account of sclero-sclerosis & partial paralysis of the left arm & leg. The paralysis is no doubt the result of a cerebral apoplexy which the patient states occurred in December 1910. i.e. seven months after filing on S½ Sec 35, Tp 31, Range W 4th.

I hereby certify that I have examined Mr Walter Downing today and find the following conditions —

Left leg and paralyzed has to drag it when walking; left hand has lost much of its power. Articles very hard with numbness and Colorless spots in balls of muscles.

Normal composition of urine — considerable reduction of flesh & lower limbs.

Cerebration is much interfered with and intelligence is entirely retained & unclouded.

I regard he is in imminent danger of another stroke of apoplexy soon.

He is not able to go out in the horse and now and he never will be able to go again although he might be taken there sometime in ordinary, but he would likely succumb to the ordeal, as threat serious congestion — followed an attack of Cerebral hemorrhage & apoplexy such he had about four months ago.

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act,

Re: John Sturrock,
part N.E.¼ 20-26-12 W.4th (S.S.)

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in November, 1919, and in due course secured advances from the Board amounting to $6,257.37, as follows: land purchased, $3,200.00; permanent improvements, $162.00; stock and equipment, $2,046.44; special advances, $1,498.93. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to the S.½ 20-26-12 W.4th purchased for the settler and a charge against the S.E.¼ 19-26-12 W.4th the unpatented homestead of this settler.

In December, 1929, at a meeting of the Adjustment Committee in the District Office it was decided that this settler had no hope whatever of repaying his indebtedness to the Board and that in view of the district in which the farm is situated having such a poor production record it would be in the settler's interest to vacate the farm. After considerable correspondence with the settler and the Canadian Legion, the settler finally voluntarily executed a Quit Claim Deed in favour of the Board on the 27th September, 1930.

The settler's indebtedness to the Board amounts to $4,315.15. The half section purchased for the settler is valued at $1,453.00. The homestead in connection with which the Board submitted application for patent on the 18th September, 1928, is valued at $792.50. The valuation placed on the soldier grant is $275.00. This quarter-section is cut up very badly by the railroad and a deep coulee angling it for nearly a mile. It is very rough and stoney and suitable only for pasture to supplement the balance of our security. The whole farm is located in a sparcely settled district in what is known as the dry area. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

IN THE MATTER OF CHARLES CARSON and the North ½ of Section 22, Township 26, Range 15, West of the 4th Meridian

I, E. HOLMES REID of the City of Calgary in the Province of Alberta, Physician, make oath and say as follows:-

1.- That I am attending physician to Charles Carson and have a personal knowledge of the matters herein deposed to.

2.- On or about the 18th day of July, A. D. 1912, I was called to examine the said Charles Carson who I was informed had fallen or had been thrown from a steel girder while working for the Carter-Halls-Aldinger Co. Ltd. on the steel construction of the building being then erected for the Hudson's Bay Co. on the southwest corner of Seventh Avenue and First Street West, at Calgary, aforesaid.

3.- When called to see the said Charles Carson and on examination at the hospital I found the left leg broken about six inches above the knee; severe injury to the right side of the chest for an area of about ten inches square; right leg paralyzed; both hands partially paralyzed and loss of control over bladder and bowels due to paralysis.

4.- The following practising physicians also were in attendance at the examination and operation of the said Charles Carson at the Holy Cross Hospital at Calgary aforesaid on or about the 18th day of July, A. D. 1912.

Dr. W. A. McGuffin,
Dr. L. A. Rose, and
Dr. C. F. McGuffin.

5.- As the result of injuries sustained on the said 18th day of July, A. D. 1912, the left leg of the said Charles Carson has been amputated several inches above the knee.

6.- On or about the 15th day of November, A.D. 1913, I operated on the said Charles Carson for appendicitus.

7.- The said Charles Carson is a cripple for life and partial paralysis of the bladder and bowels still exists.

8.- In my opinion and belief the said Charles Carson is not in a fit condition to perform the residence duties with reference to the above land.

AFFIDAVIT OF E. [illegible]

... [illegible] North and the North ½ of Section 22, Township 26, Range 15, West of the 4th Meridian.

I, [illegible] of the City of Calgary, in the Province of Alberta, Structural Ironworker, make oath and say as follows:-

1.- I am a natural born British subject and have a personal knowledge of the matters hereinafter deposed to.

2.- I was twenty-eight years of age on the 11th day of July, A. D. 1912.

3.- On or about May 26, 1910, I filed on the North half of Section 22, Township 26, Range 15, West of the 4th Meridian in the Province of Alberta.

4.- I resided on my homestead on the above land from November 1910 to June 1911 and from November 1911 to June 1912.

5.- I have broken in all thirty acres; ten of which were in crop during 1911 and twenty of which were in crop during 1912, consisting of fifteen acres in oats and five in wheat.

6.- I have fenced eight acres; constructed a habitable dwelling 12'x 16' and have sunk a well on said land and obtained water.

7.- I have made all payments due on the preemption part of the above land and will make the remaining payments as the same fall due.

8.- On or about the 8th day of July, A. D. 1912 I was thrown from a steel girder while working for the Carter-Halls-Aldinger Co. Ltd., on the steel construction of the building then being erected for the Hudson's Bay Co. on the Southwest corner of Seventh Avenue and First Street West in Calgary aforesaid

9.- As a result of being thrown from said building it became necessary to have my left leg amputated several inches above the knee and I am informed by my medical adviser that a further operation to said left leg is necessary and have not the on account of the fact that the bone of said left leg has a tendency to protrude from the flesh and to prevent the skin from properly healing over the bone of the leg where the amputation was performed.

10.- Ever since said 15th day of July, A. D. 1913, I have been in a weak state of health and am subject to a recurring weakness that causes temporary loss of control over bladder and bowels, I am informed by my physician, to partial paralysis resulting from the injuries sustained.

11.- My earning power has been totally destroyed and I am dependent on receiving title to the above homestead pre-emption in order to prevent my becoming a charge on the public.

12.- My purpose in working on a structural Ironworker for four summer months in each year was to enable me to get an outfit to stock and improve the above land.

.V.S.

Ottawa, April 1st, 1914.

The undersigned has the honour to report that Mr. Charles Carson was granted homestead and pre-emption entries for the North half of Section 27, Township 26, Range 15, East of the 4th Meridian, on the 16th May, 1911.

Mr. Carson lived upon the land from November, 1910, to June, 1911, and from November, 1911, to June, 1912.

He has made improvements consisting of 40 acres of breaking (10 acres of which were cultivated during 1913, and 20 acres of which were cultivated during 1914), 30 rods fencing, house and well.

The undersigned submits the annexed copy of a medical certificate dated the 31st March, 1914, from A. E. Reed, M.D., C.M., stating that Mr. Carson has suffered the amputation of his left leg and that with other internal troubles he will be a cripple for life and unfit to complete the residence duties.

Respectfully submitted,

Minister of the Interior.

Memorandum:

OTTAWA - Ap[illegible]

Request for Title under order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: T. L. Pooler
S.W.¼ 31-55-7 W.5th M. (1434.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 25th August, 1919, the settler secured advances from the Board totalling $3675.00, as follows: land, $[illegible].00; stock and equipment, $2139.47; permanent improvements, $[illegible].73. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the N.W.¼ 32-56-7 W.5th, [illegible]ranted for the settler, and a charge on the N.E.¼ 30-5[illegible]-7 W.5th, the settler's soldier grant.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 27th February, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1221, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 31-55-7 W.5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent Amendment to Section 26 of the Soldier Settlement Act, as [illegible] of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date [illegible] entry for his homestead.

A Vesting Order for signature is attached hereto.

3. Entry for the NW 27-53-8 W4M was made by yourself but this was transferred to the NW 31-53-7 W4M.

4. At your personal request, Letters Patent were issued in the name of the Soldier Settlement Board for the parcels listed in 2 and 3 above.

5. The files upon which will be found your entries for the NE and NW 27-53-8 W4M are with the Director of Lands, Department of Lands and Forests, Edmonton, Alberta, from whom any information in this regard would have to be obtained.

to a mortgage in favour of the Excelsior Life Insurance Company in respect to the N. W. 32-12-2-4 and a mortgage in favour of the Manufacturers Life Insurance Company on the S. W. 5-13-2-4.

As will be seen these properties are situated in a very dry area east of Medicine Hat and in common with other settlers in that district the late Mr. Berth found it impossible to effect repayment of these liens during his lifetime.

The administrator of his Estate has for some time past been endeavouring to arrive at some arrangement with the prior mortgagees in respect to the property and has now tendered a sum of one hundred dollars ($100.00), which he asked be accepted in full settlement of the Joint Relief Liens.

In support of this application he has produced statements showing that there is due under the mortgage of the Excelsior Life the sum of two thousand seven hundred and ninety-nine dollars ($2799.00), a further claim under the Manufacturers Life mortgage of two thousand and twenty-five dollars ($2025.00) making the total due under these mortgages of four thousand eight hundred and twenty-four dollars ($4824.00).

In a statement of assets of the Estate submitted to the Court the N. W. 32-12-2-4 was valued at one thousand dollars ($1000.00) and the S. W. 5-13-2-4 which was included in Special Areas at a sum of five hundred and eighty dollars ($580.00). Other property and wheat on hand was valued at two hundred and eighty-seven dollars ($287.00), making a grand total of one thousand eight hundred and ninety-seven dollars ($1897.00).

It is quite evident that there is actually no equity for the relief liens in this land and I consider that the sum of one hundred dollars ($100.00) now tendered is found money.

In view of the foregoing I have no hesitation in recommending that the offer be accepted, that upon application of the sum of one hundred dollars ($100.00) to the credit of these Joint Relief Liens the same be removed from title to the
